	=	Up to 21,120 applications*	=	\$63,360 of more profit for you!

You already know that automatic tire shining is the most profitable service you can add to your car wash. Done right, it requires no labor and a minimal amount of chemical ... yet many customers will gladly pay up to \$3 extra for this service!

Belanger's DuraShiner® tire shiner maximizes your profits by using as little as 1 oz. of chemical per vehicle – less than half what other designs require! At the same time, DuraShiner® delivers quality results with consistent "Rim-to-Tread"™ shine that keeps folks coming back ... generating repeat business that multiplies your revenues!

That's why Viper Shine is proud to offer the Belanger® DuraShiner® with this exclusive offer. Purchase a Belanger® DuraShiner® from Viper Shine and receive four free drums of Viper Shine tire dressing!*** Using one drum of chemical can more than pay for your new tire shiner! The other three drums are your profit to keep!
